CERTIFICATE

IQNET and CDM
hereby certify that the organization

Zhejiang Donsen Environment Technology Co., Ltd.

is in conformity with

ISO 9001:2008 Standard

This certificate is valid for the following products/services:

The design and production of PPR pipe and fittings, its plastic pipe fitting, and its pipe

Registration Number: CQ-020303130200

Issue date: 2010-09-01

Expiry date: 2012-08-31

Validity date: 2010-09-01

Registration Number: CQ-020303130200

QUALITY BUILT OVER CONSISTENCY

Donsen PPR is a Polypropylene pipe and fitting system established since 1996 from Ningbo, China. To ensure safety, environment friendly and high performance, Donsen only uses fully imported Hyosung-Korea virgin material. While utilizing all-automated machine operations for precise and secured production, it further employs three (3) check points to ensure high quality control (raw material inspection, process inspection, and product inspection).

FEATURES & BENEFITS

- Quick, easy and clean installation
- Fully recyclable, no toxic harmful substances
- Donsen meets all health requirements, Standard conforme to GB/T 18742, DIN 8077/8078, WRAS
- For more than 20 years in producing consistent quality plastic pipes for works supply and irrigation system.
